

Tory Pledge Tracker

Pledge	Broken	Kept
<p>Free Car Parking - Provision of good car parking is vital for our town centres. We pledge to continue the one hour free parking in our town centre car parks which has been much appreciated by our residents and businesses.</p>		
<p>HS2 – We shall put all our resources into proposing the best mitigation package for the badly affected areas. Our mitigation proposals/demands include much better compensation for residents losing their homes and for businesses losing their premises.</p>		
<p>Community Waste Collections – We shall continue our popular and simple refuse and recycling service.</p>		
<p>Attract New Shops to our High Streets – We are already seeing an increase in footfall from free parking initiatives and this together with the grants available will enable us to encourage more new shops whilst retaining the existing ones.</p>		
<p>Looking After Your Money – We shall continue to aim to reduce costs while delivering top class services to the people of Erewash.</p>		
<p>Keep our Beautiful Flowers & Parks – We shall continue to invest in our parks and open spaces and aim to retain the Gold Awards won in the East Midlands in Bloom competition.</p>		
<p>Defend our Greenbelt & Environment – We shall fight to defend our green belt against intrusive housing.</p>		

All pledges taken from the Erewash Conservatives May 2019 Election Leaflet.
